Sea Oats of Boca Grande is a condominium community created under Florida Statute 718. The authority to enforce and amend the rules is given to the Sea Oats Board of Directors.

The Board of Directors of the Condominium Association has approved the following rules in order to ensure the rights and interests of all members of the Sea Oats community. The philosophy underlying the rules is one of consideration to others, the property, and the environment.

Your rental agent, having an innkeeper's license according to F.S. 509, has the ability to void your rental and have you removed from the property for violation of the rules established for this community.
